

Introduction to ShareEdBC [www.ShareEdBC.ca](http://www.ShareEdBC.ca)

Facilitators: Ministry of Education, Linda Dun (Director Strategic Initiatives) & Jay Dixon (Curriculum Support & Resource Development Lead)

ShareEdBC is an online platform being developed by the Ministry of Education in response to the needs of educators. Through ShareEdBC, teachers across BC & Yukon have access to moderated content aligned to the curriculum. ShareEdBC aims to help users to connect with each other, find and share resources, and collaborate in a safe secure environment.

ShareEdBC now has about 8000 users with more steadily joining. There are about 2200 resources that have been posted from around the province. ShareEdBC's recent update provides a French option, growing numbers of resources, and improved search functions.

This session will provide an overview and demonstration of ShareEdBC.

Please express interest in receiving an invite to phase two of our implementation here - <https://forms.gle/tRTpiMzocd3sP7x66>
